STANDARD FEATURES

Spring Creek, NV - by Bailey Homes

A beautiful, open, luxury Spring Creek home.

The Oxford floor plan, one of our best sellers, is both versatile and functional. This Spring Creek, NV home is complete with three bedrooms and two bathrooms on the main level. There are many other options with this floor plan, however. Whether you need a basement for your growing family, a bonus room to turn into a game room for the kids, or a man cave for the man of the house. The flexibility with this floor plan is unbeatable. Be sure to check out the Signature, Premier, and Executive options to decide which suits your wants and needs best.
